

• Please pray for secret believers, who want to be loyal to their faith and are courageous enough to spread the Gospel at the risk of their own lives.

- Please pray for the many MBB converts, which need to live alone and forsaken by their families. Please pray for reconciliation with their relatives.
- Please pray that each person in Egypt will be able to freely choose his/her religion and that Muslims, who become Christians, will be able to openly confess their Christian faith without fear of revenge.

EGYPT

• Pray that the political instability in the country will cause spiritual breakthroughs in the lives of many Tunisian families.

- Believers from a Muslim Background (MBBs) are often completely cut off from their family because of their Christian faith. Some also face a lot of pressure from their families to return to Islam. Please pray for boldness and an enduring commitment to Christ in the life of each believer.
- Some believers are under a lot of pressure because of their evangelizing activities. Pray for their security and that they will not lose their focus.

TUNISIA

• Pray that people's hearts will be changed and that they will know, in a deep way, that the Kingdom of God is at hand.

• For years this country has been a bastion of security. However, recent months clearly showed cracks in this secure and controlled country. Pray for God's will to be done in Syria.

- Pray for stability and safety for the Christian minority in Syria and pray for peace in the country.
- Please pray for the Christian leadership; they are under a lot of pressure because of the turmoil in Syria.

YEMEN

- Lift up the tribal leaders of Yemen who have much influence in their land. Pray that they will seek to put the needs of their people above any desire for power or money. Ask God that they will permit freedom of religion among their tribes.

- Pray against the violence in the country.

- Pray for the tentmakers who are in Yemen to spread the Gospel. Many of them faced problems with their visas and had to go home. Others have been called home by their embassies because of the circumstances in Yemen. Pray that the seeds that they planted will continue to grow.

LIBYA

- Pray for the political situation in this country. There is still a lot of uncertainty about the future of Libya. The new regime will most probably be Islamic, however, pray it will be more open toward Christian believers.

- Pray for the expatriate church leaders: Things are very tough right now and they need energy to continue. Pray also that the Father will give creative ideas to those who are seeking entrance into Libya in order to minister to its people.

- Your prayers are needed for the small indigenous church in Libya. Ask that more people will come to know the Lord and that people will be encouraged and will grow in their faith.

IRAN

- Despite the harsh actions of the Iranian government and Muslim clerics toward Christians, unbelievers in Iran are very responsive to the Gospel. Pray for the Lord's guidance and protection of new believers.

- Pray for the Lord's protection of house church leaders and pastors of historical (Armenian or Assyrian) churches. They are being severely tested through regularly interrogations by the secret police.

- Pray for the children whose parents are detained. Pray that they may experience the love of God in abundance. Also pray that all those in prison will be comforted by God.
