HIGH VERY HIGH EXTREME PERSECUTION

Visit OpenDoors.org.za for more.

Please pray for Christians living in these Top 50 countries.

As the most persecuted believers in the world, they need encouragement and support to stand strong in their faith.

The Open Doors World Watch List (WWL) is released every January and ranks the Top 50 countries where Christians face the worst forms of persecution. Persecution is defined as any hostility experienced because of one's identification with Christ. The WWL takes into account all spheres of life and incidents of violence. The methods for arriving at country scores and their transnational comparison have been independently audited by the International Institute for Religious Freedom and their proper application checked on some sample countries. Additional statements and interpretations by Open Doors, based on or associated with the publication of the WWL, remain outside the scope of this audit. Reporting period: 1 November 2017 to 31 October 2018.
