

7 YEMEN

Pray for Yemen

- Pray for the Yemeni people after a year in which the war continues alongside floods, locusts and COVID-19. Pray that peace will come to the country and that people can start rebuilding their lives.
- Pray for secret believers and secret house churches, that they would have wisdom and discernment as they support believers.
- Pray for those taking great risks to provide seekers and new believers with discipleship support. Pray for safety as they travel through conflict areas, and that God will use them to raise up new and gifted leaders in every part of the country.

“For a long time, I didn’t know any other Yemeni Christians. Now I know many, and there are many more like us.”
-Mohammad
