

## Pray for Libya

- Pray for Libyan believers who are under immense pressure, particularly those who are arrested because of their faith. Pray for protection and release.
- Pray for those in power in Libya. Pray for peace and stability, and for an end to the proxy civil war. Years of anarchy and power struggles have taken many lives and eroded hope for the future, and Christians and other minorities have become very vulnerable in such a situation of lawlessness.
- Pray for new converts who have been baptised. Pray that they will find a group of believers to join – and rejoice that they have found Jesus.

## 4 LIBYA

**“The family will use physical violence to try to force the person back to Islam. When the Christian refuses, he or she will be excluded fully from the family, and from society. Some are accused of being agents of the CIA, as they follow a Western religion. Several Christians are threatened and need to run away from Libya to save their lives.” - Charley\***
