Pray for Vietnam

- Pray that the suspicion aimed towards Christians by national and local authorities will ease and be replaced with an appreciation of their value to society.
- Ask that believers under pressure to renounce their faith will have the strength to cling to Jesus; may this stance powerfully speak to their neighbours and communities.
- Pray that young Christians will grow in their love of Jesus, their understanding of the Gospel and appreciation for the Bible, giving them a foundation for life.

"We have become converts for a long time now. We have received healing and blessing from our Lord. He has changed our lives. We will not deny our faith as you have demanded." - Ai and Liem *
