Pray for Uzbekistan

- Pray that the new leadership of President Shavkat Mirziyoyev will bring welcome changes for the country's Christian population.
- Pray that the Holy Spirit will encourage, equip and empower believers facing pressure and persecution.
- Ask for ongoing protection and nourishment of church leaders in Uzbekistan, who can come under immense pressure in their roles.

"I tried to visit my brother. Again and again, he became very angry as soon as he saw me, and said: 'Go away, what are you doing here? I don't want anything to do with you!'" - Aziz*
