Islamic oppression,  
Organized corruption  
and crime, Ethno-religious  
hostility.

“But one day, while my husband was on a business trip, he was gunned down. He was killed for his faith, and for marrying an ex-Muslim.”

— Naomi

## PRAY FOR MALI

- Pray for the stability and normalisation of life in Mali, which are critical to suppressing extremist groups and returning peace to communities.
- Lift up believers who have been internally displaced by violence in the northern part of Mali and have attempted to start their lives in new areas after losing everything. Ask God to comfort their hearts in their loss and support them through the ministry of believers in their midst.
