she can laugh at the days to come.”

PROVERBS 31:25

# MARCH

## 1 March

Throughout the world, women are doubly persecuted for both their faith and their gender. Pray they would know their identity in Christ, accepting and believing the truth of God's Word.

## 2 March

Pray for your sisters in Iran under challenging situations: those who are imprisoned for their ministry, who suffer from domestic violence, the widowed or divorced, and women whose husbands are jailed for their faith.

## 3 March

Pray that Iranian women would believe in their talents, abilities, and gifts and have the courage to use them for God's glory, focusing on their worth in God's eyes.

## 4 March

Pray with a sister in Saudi Arabia: "Pray for Saudi

believers. May God give them strength, protection, joy and peace and open the door for us to meet other believers to pray together."

## 5 March

Today on Ash Wednesday, pray that the worldwide Church would wake up and join in the suffering of persecuted believers.

## 6 March

Pray with women who don't have the freedom to practice their faith openly. When a woman is the only believer in the family, being part of a local church becomes extremely difficult.

## 7 March

One Christian woman in Yemen asks us to pray: "May our Lord be with the people of Yemen and help them in disasters and war. Pray for Yemenis that they would know the path of truth."

## 8 March

On International Women's Day, we stand with our

persecuted sisters through prayer. Pray that they would see their important role in the family and society.

### 9 March

Pray with Yasmina\* from North Africa. She and her husband are Christian converts from Islam and, in the face of mounting hostility, were forced to flee their country. Pray for their safety.

### 10 March

Pray with Batoul\*, a young woman in her late 20s in North Africa. She is unmarried and a Christian ministry leader – a risky combination where she lives. Pray for perseverance.

### 11 March

Batoul asks us to pray for women in North Africa: “...Pray that they would not be afraid but instead encouraged.” She also asks us to pray for her family’s salvation.

### 12 March

Pray for wisdom and strength for Christian women in Muslim families who are forced to participate in Islamic religious celebrations.

### 13 March

In Bangladesh, Jorina\* and her family face ongoing threats from their community for their faith. Pray Deuteronomy 31:6 over her: “Be strong and courageous. ... for the Lord your God goes with you.”

### 14 March

Jorina prays and longs for her community to know Jesus.

Stand with her, praying that God would soften the hearts of her persecutors by her loving attitude towards them.

### March 15

Pray that God would lead Christian couples living with their husband’s extended families to independent housing. Often, in-laws interfere, making it more difficult for them to live out her faith.

## SOUTHEAST ASIA

### 16 March

In north Laos, Amphon\*, along with his wife Veena\* and their three children, have been repeatedly forced to move because they are determined to follow Jesus. Pray for their strength.

### 17 March

Amphon’s relatives cut off his family’s electricity because they were angry over their

faith decision. Our partners provided emergency relief. Please pray for the family as they continue to follow Jesus.

### **18 March**

“Every time me and my wife face persecution, we hold hands and pray to the Lord,” Amphon says. Pray that this family could be salt and light for their family and community.

### **19 March**

In East Malaysia, believers were secretly baptised. Where they live, Christians are harassed by the government and rejected by villagers because they left Islam. Remember these believers today – their decision comes with great risk and sacrifice.

## | EGYPT

### **20 March**

Pray with Eman\*, a 12-year-old Christian girl from Egypt who faced deep trauma after her father trusted Christ. The family was forced to flee, fearing for their lives. Pray that God would lead them to a safe place.

### **21 March**

A powerful dream led Eman to Jesus. Pray for continued healing for Eman and other youth who have experienced trauma. Ask God to calm their fears.

### **22 March**

Pray that our family in Egypt could continue to grow in their faith, finding comfort in prayer and God’s Word. *God,*

*we ask You to guide and strengthen our sisters and brothers as they deepen their relationship with You.*

### **23 March**

Through trauma counseling, Eman found healing. Pray for continued access to trauma counseling and spiritual support for traumatised Christians, especially in Upper Egypt.

## | NEPAL

### **24 March**

Today, stand with Pastor Manoj Pokhrel. His church building was attacked by Hindu extremists. “They chanted: ‘Hail Lord Ram’ and attacked the church,” he shares. Pray for courage for him.

### **25 March**

Pastor Manoj says that church members are now threatened; many have stopped coming. *God, we ask You to encourage our brother as he continues to follow Your call to lead the church.*

### **26 March**

New believers Shova and her husband Pradip quickly realised the truth of Jesus’ words – they would, indeed, be hated for His name’s sake. Family members, including their son, rejected them. Pray for God’s intervention.

### **27 March**

The couple’s son and daughter-in-law won’t allow them to talk to their grandson. “My son says he will accept us if we leave our faith, however, we will not leave

Christ,” Shova says. Ask God to bring reconciliation.

our staff’s safety and perseverance.

## INDIA

### 28 March

As anti-conversion laws tighten across the country, more Christians are facing false arrests. Pray for the immediate release of these believers.

### 29 March

North India is witnessing more than a hundred persecution incidents every month. As a result, conducting our trainings is becoming increasingly difficult. Please pray for

### 30 March

Pray with us today for strength for seven families in coastal India. They have faced physical abuse and have been ostracised from their community.

### 31 March

The pressure on this fishing community is so great that many families have returned to their Hindu religion – except for these seven families. Struggling immensely, they continue to hold on to their faith.
